## SCHOOL BOARD REPUBLICAN

Returns from Majority of Ticket Show Defeat for Democrats with One Possible Exception.

Returns from fifty-nine of the seventy-six precincts in Omaha show that all five of the republican candidates for the long terms on the Board of Education have been elected without doubt. Of the two republican candidates for the short terms, it is certain that William B. Christie has been elected, while the election of George E. Collins is still in doubt. Millard F. Funkhouser, one of the democratic candidates, having received a larger number of votes in the precincts which have already been heard from.

An examination of the returns of last year's school election shows that nine of the precincts which have not sent in returns as yet were safely republican at that time. Five of the precincts cast about an equal number of ballots for democratic and republican candidates and three of the precincts were democratic. Assuming that there has been no radical change in the precincts the majorities of the republican candidates will be increased considerably when the total vote is compiled.

James W. Maynard, republican, received more votes in the fifty-nine precincts than any of the other candidates, and Norris led the democratic candidates. The results of the contest for the long term are as follows:

Republican—James W. Maynard, 9,065;  
Morris Levy, 8,894; Fred Stubbendorf, 8,851;  
Jared J. Smith, 8,736; Theodore H. Johnson, 8,669.

Democrats—Thomas B. Norris, 7,772;  
Henry Farmer, 6,634; Ernest Stubb, 6,573;  
Edward Walsh, 6,451; Laurie J. Quinby, 6,437.

The following vote was cast for members to fill the two short terms:

Republican—William B. Christie, 6,854;  
George E. Collins, 5,820.  
Democratic—Millard F. Funkhouser, 5,896; Nathan E. Adams, 6,272.

Anton Kment, whose name appeared on the Board of Education ticket by petition, received 1,160 votes.

Forecast of Unreported Vote.

Two precincts in the First ward, the Fifth and Eighth, are still to be heard from. Both of these precincts divided votes quite evenly between democratic and republican candidates in the school election of last year. The Tenth precinct of the Second ward, which has been democratic in school matters, and the Eleventh precinct of the Second ward, which the republicans and democrats will probably divide quite evenly, have not sent in their returns. In the Third ward the First, Eighth and Tenth precincts, one of which is strongly republican and the other two uncertain, have not reported. All precincts in the Fourth ward have been heard from except the Seventh and First, which was formerly democratic and the other republican.

The other precincts which have not sent in their returns, all republican, are as follows: Seventh of the Fifth; First and Second of the Sixth; First and Fifth of the Seventh; Third, Sixth and Eighth of the Eighth.

According to the provision of the law the Board of Education will meet next Monday night for the purpose of canvassing the vote.

## Bond Proposition Carried.

Returns from the First precinct of the Third ward and from the First precinct of the Fourth ward worked no material change in the results. The sixty-one precincts heard from gave the following vote:

Republicans—Johnson, 8,992; Levy, 9,122;  
Maynard, 9,248; Smith, 9,061; Stubbendorf, 8,852; Christie, 7,214; Collins, 6,943.

Democrats—Farmer, 6,627; Norris, 8,044;  
Quinby, 6,529; Stubb, 6,573; Walsh, 6,552;  
Adams, 6,467; Funkhouser, 7,137.

The two precincts gave Kment, who appeared on the ticket by petition, thirteen additional votes, making his entire vote in the sixty-one precincts, 1,173.

The fifteen remaining precincts failed to comply with Secretary Burgess' request that they submit results to him and he does not expect to have the count of the fifteen precincts until the official count is made at the special meeting the board will hold next Monday night.

No returns were made on the High school bond proposition, but clerks and judges who reported to Mr. Burgess said that there was practically no opposition to voting the bonds and expressed the belief that the measure will carry by an overwhelming majority.

Announcements of the Theaters.

The Orpheum has been picked at every performance this week and many were turned away. Such is the popularity of our leading comedian, Jessie Bartlett Davis, that a new record will be made. Mrs. Davis is singing in beautiful voice and takes as well in vaudeville as she did with "The Bohemians." She is just as charming as ever and looks very pretty in the various robes which she wears. Every woman who attends the souvenir matinee Saturday will be given a picture of this talented queen of song.

## BEAUTIFUL HOME WEDDING

Clark-Squires Nuptials Quietly Solemnized at Home of Bride's Mother in This City.

Though very quiet, one of the most beautiful weddings of the year was that of Mr. Hoxie Clark of St. Louis and Miss Louise Squires, which was solemnized at high noon yesterday at the house of Mrs. C. E. Squires, on Twenty-fifth street. It was a green and white wedding, the artistic arrangement of palms and graceful bunches of huge white chrysanthemums in the brilliantly lighted parlors producing an effect of indescribable loveliness. With the opening chords of the bridal chorus from "Lohengrin," played by Mrs. Howard Kennedy, Jr., Dorothy and Helen Smith, with the ribbon, forming an aisle from the doorway through which the bride passed to the window in the front parlor, where Dr. Herring of the First Congregational church read the marriage service, the party standing before a long white satin prayer rug, prepared by the grandmother of the bride. Miss Squires was attended by Miss Uleta Knight of St. Louis as bridesmaid, and Mr. Robert Perkins of St. Louis acted as best man. The bride's gown was a beautiful white French muslin with trimmings of Valenciennes lace. Miss Knight's gown being of cream tulle net over pink tulle. The dining room was in pink and green, the table centerpiece being a cluster of pink roses, and the tea table was strewn with violets, smilax and roses. The wedding was attended only by immediate relatives, among whom were Mrs. S. H. H. Clark, Miss Drake, Mr. and Mrs. Milton Knight, Miss W. A. Knight and Mr. S. B. Knight of St. Louis, and Mrs. A. J. Smith of Davenport, Ia. Mr. and Mrs. Clark left in the afternoon for Salt Lake City and after visiting San Francisco will go to Honolulu. They will be at home after January 1 in their house in Westmoreland Place, St. Louis.

If you have chills with fever, aches in back of neck and head, and tired, nervous feeling, a trial will convince you of their merit. W. A. ## Tales of the Insurance Man

Advice to Girls—

An exchange prints the following: "A young man who cannot or will not have his life assured is not worth having for a husband. If he cannot, he is physically unsound. You don't want to start a hospital and become chief nurse. If he will not, he is mentally unbalanced. You don't want to start an asylum, either, do you? This advice is better for you than caramels. Take the advice and leave the caramels to the useless young person, who are such as we describe."
